

# I've Got My Love To Keep Me Warm

Ella Fitzgerald

The snow is snowing, the wind is blowing  
But I can weather the storm  
What do I care how much it may storm  
I've got my love to keep me warm I can't remember a worse December  
Just watch those icicles form  
What do I care if icicles form  
I've got my love to keep me warm Off with my overcoat, off with my gloves  
I need no overcoat, I'm burning with love  
My heart's on fire, the flame grows higher  
So I will weather the storm  
What do I care how much it may storm  
I've got my love to keep me warm The snow is snowing, the wind is blowing  
But I can weather the storm  
What do I care how much it may storm  
I've got my love to keep me warm I can't remember a worse December  
Just watch those icicles form  
What do I care if icicles form  
Baby, I've got my love to keep me warm Off with my overcoat, off with my gloves  
I need no overcoat, I'm burning with love  
My heart's on fire, the flame grows higher  
So I will weather the storm  
What do I care how much it may storm  
I've got my love to keep me warm The snow is snowing, the wind is blowing  
But I can weather the storm, storm, storm  
What do I care how much it may storm  
I've got my love to keep me warm I can't remember a worse December  
Just watch those icicles form  
What do I care if icicles form  
'Cause I've got my love to keep me warm Off with my overcoat, off with my gloves  
I need no overcoat, I'm burning with love  
My heart's on fire, the flame grows higher  
So I will weather the storm  
What do I care how much it may storm  
I've got my love to keep me  
I've got my love to keep me  
I've got my love to keep me warm
