

Came to Party

Zhavea

Verse 1

I got an itch I wanna scratch it scratch it
tonight Im going crazy Iâ€™m a savage savage
Cause this party is jumping
Im ready to wild out
Ainâ€™t going nowhere tonight
This club will be my house

Pre-chorus

Im ready to let it out on the floor
Please donâ€™t stop the music dj give me some
more
First rounds on me
We came to have fun
Tonight weâ€™ll go crazy
We all goin get drunk

Chorus

Its so hot in the club
that were about to burn up
Go crazy
Act a fool
Yea we about to turn up
Hurray hurray hip hip hooray
Yea you know we came to party

Verse 2

No time to sit around
Im gonna have some fun tonight
Partyâ€™s kinda dead
Im gonna bring it back to life
I love this feeling
I cant stop no more

Somebody's starting drama
Then throw them out the door

Pre-chorus

Im ready to let it out on the floor
Please don't stop the music dj give me some
more

First rounds on me
We came to have fun
Tonight we'll go crazy
We all goin get drunk

Chorus

Its so hot in the club
that were about to burn up
Go crazy
Act a fool
Yea we about to turn up
Hurray hurray hip hip hooray
Yea you know we came to party
