

Here For You

Travis Greene

Who shall ascend into the hill of the Lord?
Who shall stay in his holy place?
Only those who have clean hands and pure hearts
So give us clean hands and pure hearts
You're ...

Lift it up now say
Oh, oh, oh, oh, oh
Oh, oh, oh, oh, oh
Oh, oh, oh, oh, oh

Oh, oh, oh, oh, oh
Oh, oh, oh, oh, oh
Oh, oh, oh, oh, oh

Oh, oh, oh, oh, oh
Oh, oh, oh, oh, oh
Oh, oh, oh, oh, oh

Oh, oh, oh, oh, oh
Oh, oh, oh, oh, oh
Oh, oh, oh, oh, oh

We're here for you
Let your spirit move
As we shout your praise
From our hearts to your ears

All the glory's yours
Now forever more
Hear our worship
All we can give it for you

We're here for you

So we dance
We sing
We worship
You our king

We're here for you

We give
Everything
To the one who is worthy
Our hearts are ready lord
We're here for you

Oh, oh, oh, oh, oh
Oh, oh, oh, oh, oh
Oh, oh, oh, oh, oh

Oh, oh, oh, oh, oh
Oh, oh, oh, oh, oh
Oh, oh, oh, oh, oh

We're here for you
Let your spirit move
As we shout your praise
From our hearts to your ears

All the glory's yours
Now forever more
Hear our worship
All we can give it for you

We're here for you
For you
For you

So we dance
We sing
We worship
You our king
We're here for you

We give
Everything
To the one who is worthy
Our hearts are ready lord
We're here for you

If you don't come
We won't move
We're desperate lord

For a touch from you

If you don't come
We won't move
We're desperate lord
For a touch from you

If you don't come
We won't move
We're desperate lord
For a touch from you

If you don't come
We won't move
We're desperate lord
For a touch from you

If you don't come
We won't move
We're desperate lord
For a touch from you

If you don't come
We won't move
We're desperate lord
For a touch from you

Cause we dance
We sing
We worship
You our king
We're here for you

We give
Everything
To the one who is worthy
Our hearts are ready lord
We're here for you

If you don't come
We won't move
We're desperate lord
For a touch from you

If you don't come
We won't move

We're desperate lord
For a touch from you

If you don't come
We won't move
We're desperate lord
For a touch from you

If you don't come
We won't move
We're desperate lord
For a touch from you

A touch from you
A touch from you
A touch from you
A touch from you
A touch from you
If you don't come
We won't move

We're desperate lord

For a

If you don't

Yeah

Yeah

If you don't come

We won't move

We're desperate lord

For a touch from you

We need you, we need you

If you don't come

We won't move

We're desperate lord

For a touch from you

We need you

If you don't come

We won't move

We're desperate lord

For a touch from you

We need you

If you don't come

We won't move

We're desperate lord

For a touch from you

If you don't come

We won't move
We're desperate lord
For a touch from you
