Servants To The Horde

Carnifex

Rise up from the grave of this empty earth
Usurpers to the throne of despair
There is no life for us hereFind truth in death
Absolute silence
Absence of eternal rest
Find truth in death
Absolute despair
There is no life hereRise up from the grave of this empty earth
Usurpers to the throne of despair
There is no life for us hereServants to the horde
Dead children from a dead fucking world
Servants to the horde
Lost souls, we are hell born
We are hell born
Dead children from a dead fucking world
We are hell bornDrift into the black sky
The comfort of eternal night
I feel your dead hand in mineLove songs or last rites
A voice in the void
We are not meant for the lightRise up from the grave of this empty earth
Usurpers to the throne of despair
There is no life for us hereServants to the horde
Dead children from a dead fucking world
Servants to the horde
Lost souls, we are hell born
We are hell bornHell bornDead children from a dead fucking world
We are hell born
