Wrecking Ball

Bruce Springsteen

Advisory - the following lyrics contain explicit language:

I was raised out of steel here in the swamps of Jersey, some misty years ago
Through the mud and the beer, and the blood and the cheers, I've seen champions come and go
So if you got the guts mister, yeah if you've got the balls
If you think it's your time, then step to the line, and bring on your wrecking ballBring on your wrecking ball
Bring on your wrecking ball

Come on and take your best shot, let me see what you've got

Bring on your wrecking ball

Bring on your wrecking ball

Bring on your wrecking ball

Come on and take your best shot, let me see what you've got

Bring on your wrecking ballNow my home was here in the Meadowlands, where mosquitoes grow big as airplanes

Here where the blood is spilled, the arena's filled, and Giants play their games So raise up your glasses and let me hear your voices call

Come on!

Because tonight all the dead are here, so bring on your wrecking ballBring on your wrecking ball

Bring on your wrecking ball

Come on and take your best shot, let me see what you've got

Bring on your wrecking ballOne, two, one two three four![trumpet solo]Yeah we know that come tomorrow,

none of this will be here

So hold tight on your anger

Hold tight on your anger

Hold tight to your anger, and don't fall to your fearNow when all this steel and these stories, they drift away to

rus

And all our youth and beauty, it's been given to the dust
And your game has been decided, and you're burning the down the clock
And all our little victories and glories, have turned into parking lots
When your best hopes and desires, are scattered to the wind
And hard times come, hard times go

And hard times come, hard times go
Hard times come, hard times go
And hard times come, hard times go
Hard times come, hard times go

Hard times come, hard times go Yeah just to come againBring on your wrecking ball

Bring on your wrecking ball

Come on and take your best shot, let me see what you've got

Bring on your wrecking ball

Bring on your wrecking ball (bring on your wrecking ball)

Bring on your wrecking ball (bring on your wrecking ball)

Come on and take your best shot, let me see what you've got, bring on your wrecking ballOne, two, one two three four![trumpet solo]Whoa-ho-ho
