Trouble On the Line

Marley's Ghost

Trouble!
Lord, I think I need a double.
But it's allright,
it's just the way I feel tonight.
I'll be fine.
Trouble on the line.
Trouble on the line.
I could tell by the sound
she had changed her mind
and her heart had turned around.
That's a fatal sign
there's trouble on the line.
(Chorus:)
A phone that rings at midnight ain't got nothing good to say.
She just called to tell me she's a thousand miles away.
Long gone this time,
Trouble on the line.
(Chorus)
(Chorus)
Whiskey and a song,
That's how I pass the night along,
hoping to forget
all the heartache and regret
'til I leave behind
trouble on the line,
trouble on the line,
trouble on the line.
