

Igneous

VV Brown

we rule the world..
and chase down the ...???
we are like fire
come...?
what do i do to myself?
what is the cause that i doubt.
come with me now and let it goes to relax.I am the mountain ...?
i know you'r waiting so dont you be scared,.we are incredible
like wolves into the wildnerrss??we are stoppable
like tribus in the jungle.
