

Fa La La (A Cappella)

[Justin Bieber](#)

This is the time if year you could give it
Give it, give it, give it all
One through ten on your list your list you can get it,
Get it, get it, get it now
Make your wish tonight
When you open your eyes
When the lights go bright girl
I'll be right there Baby you deserve everything you want
It's your night, oh
When put my ear to your chest girl
Baby I hear melodies when your heart beats
Baby it sings to me like
Fa la la, fa la la
Baby I hear melodies when your heart beats
Baby it sings to me like
Know that it's Christmas time You got on my favorite dress
You're looking, looking, looking, good
Snow falling on your hair, and I don't, I don't
Wanna get it off
Even the stars in the sky can't outshine your eyes
Wanna be your biggest gift Baby you deserve everything you want
It's your night, oh
Wanna put my ear to your chest
Baby I hear melodies when your heart beats
Baby it sings to me like
Fa la la, fa la la
Baby I hear melodies when your heart beats
Baby it sings to me like
Know that it's Christmas time
