# Sweet Sunshine

## David Mead

I saw your eyes as I told you my story
They change from dusk to dawn
Dream visions of mysterious glory
Something sacred so sweet and strongIt hit me in the heart so serious
And I'm serious 'bout a girl like you
The day will have to start vicarious
And vicarious will have to do for nowIt's like sweet sunshine baby
Unaffected as a ray of gold
You give me sweet sunshine baby
And I listen as our tale unfolds
I keep hoping for the light and you make it so
It's like sweet sunshine won't let me go
Don't be surprised when you read what I'm writing
It's true as the morning's light
No need to lie about the urges I'm fighting
As I toss through another nightIt hit me in the gut so frightening
Yeah it frightens me what a day will do
It starts to wake me up I'm brightening
And I brighten up when I follow through my angel
Give me sweet sunshine baby
Unaffected as a ray of gold
You give me sweet sunshine baby
And I listen as our tale unfolds
I keep hoping for the light and you make it so
It's like sweet sunshine won't let me go
I don't believe it's just another fleeting rush
Yeah, for a moment I felt you beside me
I want to raise the walls I want a trumpet call to remind me
You feel so inviting
You feel so invitingSweet sunshine baby
Unaffected as a ray of gold
You give me sweet sunshine baby
I listen as our tale unfolds
I keep hoping for the light and you make it so
It's like sweet sunshine won't let me go
Sweet sunshine
Sweet sunshine
Sweet sunshine
Sweet sunshine
