

# Stigmatized

## Stallion

If I give up on you I give up on me  
If we fight what's true, will we ever be?  
Even God himself and the faith I knew

It shouldn't hold me back, shouldn't keep me from youTease me by holding out your hand

Then leave me or take me as I am

And live our lives stigmatized, yeahI can feel the blood rushing though my veins  
When I hear your voice, driving me insane

Hour after hour, day after day

Every lonely night that I sit and prayTease me by holding out your hand

Then leave me or take me as I am

And live our lives stigmatized, oh, yeahWe live our lives on different sides  
But we keep together, you and I

Just live our lives stigmatizedWe'll live our lives, we'll take the punches everyday, oh  
We'll live our lives, I know we're gonna find our way, yeahI believe in you even if no one understands

Yeah, I believe in you and I don't really give a damn

Oh, we're stigmatized, yeahWe live our lives on different sides

But we keep together, you and I

We live our lives on different sidesWe're gonna live our lives

We gotta live our lives

We're gonna live our lives, yeah

We're gonna live our lives

We're gonna live our lives, yeah, stigmatized
