

# Whatever

## Gnarls Barkley

I don't have any friends at all  
Cause I have nothin' in common with y'all  
So who's gonna catch me if I fall?  
My back's always against the wall  
I don't have anything to say  
I want everything to go my way  
Shut up mom! It is not OK  
I'm alone almost everyday But it's cool (it's cool)  
It could be better (could be better)  
I don't care (I don't care)  
Whatever (whatever) Hold up my man  
La la la la lah-lah-lah, whatever  
La la la la lah-lah-lah, whatever  
La la la la lah-lah-lah, whatever  
La la la la lah-lah-lah Talk to my counselor 'bout how I feel  
Everyone agrees I could use some help  
I love my girl more, than I love myself  
But she's goin' steady with someone else  
I don't know what else to do  
Said fuck me? Well fuck you too!  
I know it sounds real sad but true  
Bein' alone is nothin' new But it's cool (it's cool)  
It could be better (could be better)  
I don't care (I don't care)  
Whatever (whatever) Whatever bitch!  
La la la la lah-lah-lah, whatever  
La la la la lah-lah-lah, whatever  
La la la la lah-lah-lah, whatever  
La la la la lah-lah-lah
