Hot Mess

Uncle Kracker

Doctor, Doctor, can you save me?
I like my chicks a little crazy
Crazy in the head
Every train wreck got me buzzin'
Like I'm drunk on Robitussin
Fireworks in my bed, all night
Hip-hop don't stop
Drop it like it's burnin' hot, damn
Here I go again
Hip-hop don't stop
Buy that girl another shot, damn
Gimme that, gimme that, gimme that hot mess
Gimme that, gimme that, gimme that hot mess
People tell me that it's my fault
Everyday I'm like a Nascar
Crashin', catchin' fire
I like tequila on my sunrise
A little black around my blue eyes
Walkin' on a wire, let it ride

Hip-hop don't stop
Drop it like it's burning hot, damn
Here I go again
Hip-hop don't stop
Buy that girl another shot, damn
Gimme that, gimme that hot, hot mess
Gimme that, gimme that hot, hot mess
Doctor, Doctor, can you save me?
She's dancin' on the bar and screamin'
She's singin'
Hip-hop don't stop
Drop it like it's burnin' hot, damn
Here I go again
Hip-hop don't stop
Buy that girl another shot, damn
Gimme that, gimme that hot, hot mess
Gimme that, gimme that hot, hot mess
