

# When You Were My Girl

[Matt Cardle](#)

[Verse 1]

You tell me that you want me  
You're thinking that you'll walk back in my life again  
Saying you need me  
But I've been hearing stories from mistaken friends[Bridge]  
And someone said you sold me out, you sold me out  
I try to shut it out, but it's too late[Chorus]  
And all those tears I watched you fake  
Thinking I was doing you wrong  
But now I hear it's my mistake  
'Cause you were never sleeping alone  
When you were my girl (x2)[Verse 2]

I told you I was sorry  
How could you lie so easily right to the end?  
You wanna hold me  
But I don't find it that easy to pretend[Bridge - variation]  
When someone says you sold me out, you sold me out  
I try to shut it out, but it's too late[Chorus]  
And all those tears I watched you fake  
Thinking I was doing you wrong  
But now I hear it's my mistake  
'Cause you were never sleeping alone  
When you were my girl (x3)Oh, ooh  
When you were my[Chorus x2]  
All those tears I watched you fake  
Thinking I was doing you wrong  
But now I hear it's my mistake  
'Cause you were never sleeping alone  
When you were my girlWhen you were my girl  
Oh, when you were my girl  
Oh-oh-oh
