

# Deal

## Fred Deshayes

Costs a lot to win, and even more to lose  
You and me bound to spend some time just wonderin' what to choose  
Goes to show, you don't ever know  
Watch each card you play and play it slow  
Wait until that deal come round  
Don't you let that deal go down, no, no I been gamblin' hereabouts for ten good solid years  
If I told you all that went down it would burn off both of your ears  
Goes to show you don't ever know  
Watch each card you play and play it slow  
Wait until that deal come round  
Don't you let that deal go down, no, no Poured the wine for me tightened up my shoes  
I hate to leave you sittin' there, composin' lonesome blues  
Goes to show you don't ever know  
Watch each card you play and play it slow  
Wait until that deal come round  
Don't you let that deal go down, no no Costs a lot to win, and even more to lose  
You and me bound to spend some time just wonderin' what to choose  
Goes to show, you don't ever know  
Watch each card you play and please play it slow  
Wait until that deal come round, don't you let that deal go  
down  
Wait until that deal come round, don't you let that deal go down  
Wait until that deal come round, don't you let that deal go down  
Wait until that deal come round, don't you let that deal go down  
Wait until that deal come round, don't you let that deal go down  
Wait until that deal come round, don't you let that deal go down  
Wait until that deal come round, don't you let that deal go down  
Wait until that deal come round, don't you let that deal go down  
Wait until that deal come round, don't you let that deal go down  
Wait until that deal come round, don't you let that deal go down  
Wait until that deal come round, don't you let that deal go down  
Wait until that deal come round, don't you let that deal go down
