

# Don't Wanna Fight

## Alabama Shakes

[Verse 1]

My life, your life  
Don't cross them lines  
What you like, what I like  
Why can't we both be right?  
Attacking, defending  
Until there's nothing left worth winning  
Your pride and my pride  
Don't waste my time[Refrain]  
I don't wanna fight no more (x6)[Verse 2]  
Take from my hand  
Put in your hands  
The fruit of all my grief  
Lying down ain't easy  
When everyone is pleasing  
I can't get no relief  
Living ain't no fun  
[?] constant dedication  
Keeping the water and power on  
There ain't nobody left  
Why can't I catch my breath?  
I'm gonna work myself to death[Refrain]  
I don't wanna fight no more (x6)[Bridge]  
No, no, no, no![Outro]  
I don't wanna fight no more (x7)  
I don't wanna fight, I don't wanna fight!  
I don't wanna fight no more (x8)
