

# Free and Easy (Down the Road I Go)

Dierks Bentley

Pair of boots and a sake of clothes  
Free and easy down the rode i go

Hanging memories on the high line poles  
Free and easy down the road i go  
Free and easy down the road i go  
(yup)

Rap meets rockin on the radio  
Free and easy down the road i go  
I keep rollin like an old bango  
Free and easy down the road i go

Got the sunshine and only like a big spot light  
So i know that everything is gonna be alright

There aint no telling where the wind might blow  
Free and easy down the road i go  
Livin life like a sunday stroll  
Free and easy down the road i go  
Free and easy down the road i go

If you only get to go around one time  
Im gonna sit back and enjoy the ride

I could make a million or end up broke  
Free and easy down the road i go  
Cant take it with you when you go so  
Free and easy down the road i go  
Some day i know its gona take me home so  
Free and easy down the road i go  
Free and easy down the road i go  
(yeah)
