

We Don't Have to Take Our Clothes Off

Lil Chris

Na na na na na na naNot a word, from your lips
You just took for granted that I want to skinny dip
A quick hit, that's your game
But I'm not a piece of meat, still you like my brainSo come on, baby, won't you show some class
Why you want to move so fast?
We don't have to take our clothes off
To have a good timeOh no, we can dance and party all night
And drink some cherry wine
Uh, huh
Na na na na na na naJust slow down if you want me
A man wants to be approached cool and romantically
I've got needs just like you
If the conversation's good
Vibrations through and throughSo come on, baby, won't you show some class
Why you want to move so fast?
We don't have to take our clothes off
To have a good timeOh no, we can dance and party all night, all night
And drink some cherry wine
Uh, huh
Na na na na na na naSo come on, baby, won't you show some class
Why you want to move so fast?
We don't have to take our clothes off
To have a good timeOh no, we can dance and party all night
And drink some cherry wine
Uh, huh
Na na na na na na na
