Too Young

Scott Walker

They tried to tell us we're too young,
too young, to really be in love.
They say that love's a word,
a word we've only heard
and can't begin to know the meaning of.And yet we're not too young to know
our love will last though years may go.
And then one day they may recall
we were not too young at all.
And yet we're not too young to know
our love will last though years may go.
And then one day they may recall
we were not too young at all.
At all, at all...
