We're In Love

Etta James

Love, we're in loveI know
(I know)
That you know
(You know, you know)
That I am
(I am)
In love with youYou know
(You know)
That I know
(I know, I know)
That you
(You)
Love me tooIt is no secret what two hearts in ones can do
Won't you give me a chance to prove my love to you?I know
(I know)
That you know
(You know)
That I am
(I am)
In love with youWe know, we know, we know
That they know, they know, they know
That we are, we are, we are so in loveYou know, you know, you know
I know, I know, I know
You, you, you, a love me tooIt is no secret what two hearts can do
A baby, won't you give me just a one more chance
To prove my love to you?I know
(I know)
That you know
(You know)
That I am
(I am, I am)
In love with youI know, I know, I know
You know, you know, you know
They know, they know, they know
We know, we know, we know that we're in love
