

# Deal

## A Bluegrass Tribute

Costs a lot to win, and even more to lose

You and me bound to spend some time just wonderin' what to chooseGoes to show, you don't ever know

Watch each card you play and play it slow

Wait until that deal come round

Don't you let that deal go down, no, noI been gamblin' hereabouts for ten good solid years

If I told you all that went down it would burn off both of your earsGoes to show you don't ever know

Watch each card you play and play it slow

Wait until that deal come round

Don't you let that deal go down, no, noPoured the wine for me tightened up my shoes

I hate to leave you sittin' there, composin' lonesome bluesGoes to show you don't ever know

Watch each card you play and play it slow

Wait until that deal come round

Don't you let that deal go down, no noCosts a lot to win, and even more to lose

You and me bound to spend some time just wonderin' what to choose

Goes to show, you don't ever know

Watch each card you play and please play it slowWait until that deal come round, don't you let that deal go down

Wait until that deal come round, don't you let that deal go down

Wait until that deal come round, don't you let that deal go down

Wait until that deal come round, don't you let that deal go down

Wait until that deal come round, don't you let that deal go down

Wait until that deal come round, don't you let that deal go downWait until that deal come round, don't you let that deal go down

Wait until that deal come round, don't you let that deal go down

Wait until that deal come round, don't you let that deal go down

Wait until that deal come round, don't you let that deal go down
