

# Rainbows

## Madvillain

You know, you best to watch out (watch your back nigga)  
Til you, be fresh out of clout (fresh water trout)  
Rumors (out of water) that he got a mouth on the street (somebody tell him yo)  
You know, you best to watch out (watch your back nigga)  
Who knows, who is watchin in (streets is watchin you)Hope, they don't know (they don't know nothin)  
As much he thinks, they know  
That what, he drinks, is Drano  
Rat butt, she winks, rainbowsLoser, was twice in the fed (comin home son)  
User, whose nice in the head (where that shit at bitch)  
Choose to, entice him with bread (get paid son)  
Air him, they said he was ex-pen-dable (dead him dunn)  
Air him, there's no witnesses (tell 'em the B.I.)  
Dare him, they said he was ex-pen-dable (dead 'em dunn)  
Air him, there's no witnesses (tell 'em the B.I.)  
You know, you best to watch out (watch your back nigga)  
Who knows, who is watchin in (nosey yo)Hope, they don't know (they don't know nothin)  
As much he thinks, they know  
That what, he drinks, is Drano  
Rat butt, she winks, rainbows
