

For All That You Have Done

Rend Collective

From mountain top to valley road
Through laughter and through tears
Surely the goodness of my God
Will follow all the years

For all that you have done for us
For all the battle won
We'll raise a song to bless you heart
For all that you have done

In Lord, our failures are regrets
You boys let us home
Redemption's arm has raise our some triumph in the storm

For all that you have done for us
For all the battle won
We'll raise a song to bless you heart
For all that you have done
