Daydream

Britta Phillips

Driving a dangerous daydream
To you
I thought I'd never do
With my eyes aching
I made up my mind
I'll be fine
Yes, I'll be fine
I'm lying and trying
To make you be cruel
'Cause I don't want to tell you
That I'm not what you need
I'm only
A layer away
I'll stay here and wait
I can't wait
And I'll wait
And I'm only
A layer away
Lying here awake
A layer away
I'll stay here and wait
And I'll wait
And I can't wait
Oooooh
Mmmm
I can't wait
