Jerkin' Back and Forth

Devo

I know I let you tell me what to do
You were confident you know best
Now things aren't working like you want them to
Your confidence is what I detest
You got me lookin' up high
You got me searchin' down low
You got me I know you know
You got me jerkin' back 'n' forth
You told me people like to suffer
You told me that's the way it is
You said that things were getting better
You said I should expect all this
You think it's funny
But what I say is true
The reason that I live like this
Is all because of you
There is a thought that keeps me thinking
Like a stone inside my shoe
It is a vision reoccurring
A dirty window I can see you through
