Why Wait

Shakira

Put your trust in me

I won't let you down

Don't delay the things

That you want right nowWhy wait for later?

Hey don't you want some action

I'm not a waiter

I like to make things happenSomething's coming on, coming on strong

Don't take too long

Don't you wanna know?

Baby, come homeOne more night with you

I won't think it through

Time's money but you knew

Nothing in the world you can think of

That I won't do to youDrowning in your sweat

'Til I drench my clothes

You've seen nothing yet

Wait 'til you let goWhy wait for later?

Obey my intuition

We're going to be just fine

I got a premonitionSomething's coming on, coming on strong

Don't take too long

Don't you wanna know?

Baby, come homeOne more night with you

I won't think it through

Time's money but you knew

Nothing in the world you can think of

That I won't do to youI'm gonna dance through the veil of your eyes

While you follow my steps and decide

And I see your fate in the palm of your handNo one looks, no one hears us this time

It's only me and your conscience tonight

If there are no witnesses, there is no crimeWhy wait for later?

I'm not a waiterSomething's coming on, coming on strong

Don't take too long

Don't you wanna know

Baby, come homeOne more night with you

I won't think it through

Time's money but you knew

Nothing in the world you can think of

That I won't do toOne more night with you

I won't think it through
Time's money but you knew
Nothing in the world you can think of
That I won't do to youYou, you, you, you
You, you, you
You, you
