

# You're A Big Girl Now

Lloyd Cole

Dylan Our conversation was short and sweet  
It nearly swept me off-a my feet  
And I'm back in the rain, oh and you are on dry land  
You made it there somehow, you're a big girl now. Bird on the horizon sitting on the fence  
He's singing his song for me at his own expense  
And I'm just like that bird, oh singing just for you  
I hope that you can hear, hear me singing through these tears.  
Time is a jet plane, it moves too fast  
Oh, but what a shame if all we've shared can't last  
I can change I swear, oh see what you can do  
I can make it through, you can make it too. Love is so simple, to quote a phrase  
You've known it all the time, I'm learning it these days  
Oh, I know where I can find you, oh in somebody's room  
It's a price I had to pay, you're a big girl all the way.  
A change in the weather is known to be extreme  
But what's the sense of changing horses in midstream?  
And I'm going out of my mind, oh with a pain that stops and starts  
Like a corkscrew to my heart ever since we've been apart.
