[Cube]

[repeat 3X]

[WC]

Ridahs please callin' on all ridahs please  
Blowin' through the wind like the sticky green breeze  
Back once again straight faded off Henn'  
It's that nigga WC with the pocket full of spend  
runnin' all the gators with the new chrome feet  
checkin' through my rearview with my hand on my heat  
Cause hatahs can't stand to see a nigga doin' good  
but fuck Hollywood I'm a still bang the 'hood  
Gettin' my stalk on walk on loc I'm all about the paper  
hoppin' out the Navigator with braids & Chucks Taylors  
A regulator scopin' the field like a commentator  
Dodgin' investigators haters & salt shakers  
the cookie baker the 64 pancaker  
Bitch my whole entourage is full of kit makers &  
gators trip makers to Vegas from bird breakers from skyscrapers  
tippin' nobellas cause loc we's all about the Cheddar

[Mack]

See we down for whatever  
It's all about the Cheddar  
I put that on my life & the 23rd letter

[Cube]

Everybody get yo' scrilla  
Don't worry 'bout ya time zone  
homie get yo' grind on

[Repeat Chorus]

Better

bounce baby baby bounce baby baby bounce  
to them outta town niggas I still got 'em 9 an ounce  
Can't rely on no label to send my kids to college  
so after I rock the spot meet me in the parking lot  
Now call it what you want but the game got me cheese  
with bitches on my dick since my last CD  
I went from young black & broke bro' to dub the inevitable

turnin' over three decimals bangin' the oyster perpetual  
let it go rags to riches buckets to Phillies  
I went from no dough to mo' dough  
to still gettin' these switches  
I'm wicked for digits forgive me God for the truth  
but I fiends for Cheddar like a smoker with a sweet tooth  
Got game from Legit & 40 C Mac & Short  
Cube told me the key to it all is to keep hustlin' loc  
Put your family first & the rest will endeavor  
Stay focused & forever we can get this Cheddar  
Come on...  
[Mack]  
See we down for whatever  
It's all about the Cheddar  
I put that on my life & the 23rd letter  
[Cube]  
Everybody get yo' paper  
Don't worry 'bout ya time zone  
homie get yo' grind on  
[Repeat]  
[Cube & Mack]

From the ghettos of Cincinnati Europe to Killa Cali'

Grindin' til I'm paid in full

Pledgin' allegiance to them dollar bills  
baguettes on 'em bigger than pit bulls  
Only true playas can comprehend what I'm talkin about  
aiiyo Mack I think I'm over the can loc carry me out

[Mack]
