

# Vanishing

## Barenaked Ladies

A rabbit and a top hat  
A handkerchief and ring  
With a wave of a wand  
He'll pull your heartstringsHe's a magician  
Hoping, wishing  
And you're the one vanishingIsn't that the necklace  
He found behind your ear?  
He's floating upside-down  
Below a chandelier  
Wishing he had the power  
To make you reappearHe's a magician  
Hoping, wishing  
And you're the one vanishingAll the words of love  
He longs for you to hear  
He whispers them each night  
Into a lion's earUnder the stage lights  
At the Bellagio  
He has got your card  
But you had to fly homeHe's a magician  
Hoping, wishing  
And you're the one vanishingYou are vanishing  
You are vanishing  
You are vanishing  
You are vanishingHe's a magician  
Hoping, wishing  
And you're the one  
You're the one  
You're the one vanishingYou are vanishing  
You are vanishing  
You are vanishing  
You are vanishing
