

Intimate Stranger

Delirious?

I lift my eyes to You
Eyes that have seen a thing or two
Who is this stranger in my life?I lift my hands to You
Hands that have carried what is true
Intimate stranger be my lifeJesus I love You, Jesus I adore You
Jesus You still have my affection
And my song will be, 'I love You'I lift my voice to You
Lips that have cried a prayer or two
Beautiful stranger fill my life
