

2 Bitches

Too \$hort

Pimp niggas don't pay a dime
I'm fuckin' 2 bitches at the same time
Then I hit the studio and write a rhyme
I call it, tramp hoes ain't hard to find I took 2 bitches to a hotel
I told 'em both, you know I won't tell
Bitch, curiosity killed the cat
You gotta lick the clit while I hit it from the back
Don't be stingy girl, lick my balls too
You was talkin' big shit when I called you
You said, you never fucked another girl before
And you wanted me to help you so Bitch, I took you down to the strip club
I told you, look around, who you wanna fuck?
You picked thick chocolate, big booty, big tits
I told her she could have you and this dick
She got so excited she got off work early
Jumped in the back and started lickin' on my girlie
I couldn't get home fast enough
But now it's time to fuck Pimp niggas don't pay a dime
I'm fuckin' 2 bitches at the same time
Then I hit the studio and write a rhyme
I call it, tramp hoes ain't hard to find When we got to my room she started actin' nervous
Sat down and said, "Let's order room service"
I said, "Bitch, what are you smokin'?"
A big fat dick comin' from East Oakland
I stuck it in her mouth she started moanin'
I said, "Hang up, get off my telephone, bitch"
I put the game down immediately
I'm a vet from the town, I started freakin' them freaks And once they started, they couldn't stop
I fuck 'em for awhile then I kick back and watch
Two bitches at the same time
And neither one of these hoes is mine
I don't give a fuck, I'm a player
Been doin' this for years, I got bitches everywhere
You think I'm payin' hoes? You got the game distorted
You a trick, mad 'cause you can't afford it Pimp niggas don't pay a dime
I'm fuckin' 2 bitches at the same time
Then I hit the studio and write a rhyme
I call it, tramp hoes ain't hard to find Them bitches kissed 20 minutes straight non-stop
Strip girl on the bottom, lil momma on top

It was beautiful, you know what happened next
Spent 20 more minutes lickin' each others breasts
Two titty suckin' hoes, navels and toes
Bitch rolled her on her stomach, licked her asshole
I was smokin' on a fat one, layin' in the cut
After seein' this shit, I ain't wanna fuck I want to see how long they can keep goin'
I don't know, I fell asleep on 'em
When I woke up I was gettin' my dick sucked
These hoes horny as fuck, they can't get enough
I was fuckin' them sluts till the sun came up
Nut in both their mouths, you ever done that stuff?
Dog baby, this shit ain't really nuthin' to me
You better handcuff your hoe or I'll be fuckin' you freak, nigga Pimp niggas don't pay a dime
I'm fuckin' 2 bitches at the same time
Then I hit the studio and write a rhyme
I call it, tramp hoes ain't hard to find Sing it, pimp niggas don't pay a dime
I'm fuckin' 2 bitches at the same time
Fuckin' 2 bitches at the same time
Let 'em know, pimp niggas don't pay a dime, bitch Hit the studio and write a rhyme
These tramps ain't hard to find, nigga
Bitch, 2 bitches, 2 of 'em
