

# Take Everything

[Mazzy Star](#)

I can't believe your thinking  
Save everyone, inside you  
Take everything  
Fake everything  
Save everything--about me  
All of you, (all right)  
Just, just because, I want to know  
Do you still (come last night with clear eyes peeled/pale)  
You never got there (even though you say you will)  
Sorry now that you've fallen from my eyes  
That's the truth  
Why tell me about (everything)  
Why tell me about (anything)  
You're just waiting for her to come apart  
You're just waiting for her  
Take everything  
Fake everything  
Save everything
