Letter To God

Duncan James

Are you listening?
I'm shooting rubber bands up at the stars
Some days I just don't know where you are
I'm feeling kind of lost down hereI just had to call
I'm not trying to tell how to do your job
Seems like everyone forgot about love
I'm feeling kind of lost down hereTell me what does it mean
Are you receiving me?
And if there's something that I forgot
I'll put it down in a letter to god
To youWould you turn your back?
Maybe we blew every chance we had
Is it so hard to keep this world on track?
When we're standing in your waySorry for all my mistakes
I know it's hard to relate sometimes
Between you and I
Did we run out of time?Tell me what does it mean
Are you receiving me?
And if there's something that I forgot
I'll put it down in a letter to god
And if there's something that I forgot
I'll put it down in a letter to godTo you
