Passenger 24

Whitehorse

Passenger Number 24
Got a bag of cocaine, cut my hair short
Gonna fill it up with diesel, American scum
Left a girl in Amarillo 'bout as sweet as rum
A girl in Amarillo
'Bout as sweet as rumI've a Christian name, a cross in ink
But God don't like it when a poor man think
I'm a boot camp warrior, United States vet
I got a girl in Orange County, she don't know me yet
A girl in Orange County
Don't know me yetWell it's four AM, I'm still a "Hound"
We dropped a mean talkin' Yankee off in the last town
If I were in Kentucky, I'd be shootin' raccoon
Stoned as a driver chasin' the moon
A hopped up driver
Who's chasin' the moonBuyin' smokes for kids, and I pocket the change
Grab a Deli Stick, a "Barely Legal", "Home on the Range"
Jump on the bus as he's gunnin' the wheel
Leavin' dust in my tracks, puttin' pedal to steel
Dust in my tracks
Pedal to steel
