If You're Not the One

Daniel Bedingfield

If you're not the one, why does my soul feel glad today?

If you're not the one, then why does my hand fit yours this way?

If you are not mine, then why does your heart return my call?

If you are not mine, would I have the strength to stand at all? I never know what the future brings

But I know you're here with me now

We'll make it through and I hope

You are the one I share my life withI don't wanna run away but I can't take it, I don't understand If I'm not made for you, then why does my heart tell me that I am?

Is there anyway that I can stay in your arms?If I don't need you, then why am I crying on my bed? If I don't need you, then why does your name resound in my head?

If you're not for me, then why does this distance name my life?

If you're not for me, then why do I dream of you as my wife?I don't know why you're so far away

But I know that this much is true

We'll make it through and I hope

You are the one I share my life withAnd I wish that you could be the one I die with And I pray that you're the one I build my home with

I hope I love you all my lifeI don't wanna run away but I can't take it, I don't understand If I'm not made for you, then why does my heart tell me that I am?

Is there anyway that I can stay in your arms?'Cause I miss your body and soul so strong

That it takes my breath away

And I breath you into my heart

And I pray for the strength to stand today'Cause I love you whether it's wrong or right

And though I can't be with you tonight

And you know my heart is by your sideI don't wanna run away but I can't take it, I don't understand If I'm not made for you, then why does my heart tell me that I am?

Is there anyway that I can stay in your arms?
