Z

nitwits

No matter how neurotic my mind
That's not what I wanted to say
I'm running out of words
Hey hey

I've always loved you
I've always cared
But in the past I wasn't there

Out to the desert

To disappear

Only to find I wasn't there

Everything I knew was wrong What is really going on?

There in the darkest depths of my mind
That's not what I wanted to say
I'm running out of words
Hey hey

They'll sell sarcasm
And constant fear
Don't be so far don't be so near

The missing papers

The souvenir

No one around no one can hear

All at once we want to live Holy water won't wash away sin

Up in the sky the sun is red What's in the past and what's ahead?

Oh can I live with what's in my heart?
That's not what I wanted to say
I'm running out of words
