

In Defense Of All Life

Good Clean Fun

Peaceful protest doesn't get the job done
So I wake up for the rally grab my soy milk and my gun
Breakfast with the family get the grub on see what's up
Then I saw my sister had milk in her cup
I jumped out of my chair and sprayed her with my mace
I yelled "vegan power," and I kicked her in the face
Dad was bugging, he started to run
But he's a meat eater so I pulled out my gun
Shot him in the back, then I shot his wife
That's how it's got to be in defense of all life.
