

I Lost It

Lucinda Williams

I think I lost it, let me know if you come across it
Let me know if I let it fall along a back road somewhere
Money can't replace it, no memory can erase it
And I know I'm never gonna find another one to compare Gimme some love to fill me up
Gimme some time, gimme some stuff
Gimme a sign, gimme some kind of reason
Are you heavy enough to make me stay?
I feel like I might blow away
I thought I was in Heaven, but I was only dreaming I think I lost it, let me know if you come across it
Let me know if I let it fall along a back road somewhere
Money can't replace it, no memory can erase it
And I know I'm never gonna find another one to compare I just wanna live the life I please
I don't want no enemies
I don't want nothin' if I have to fake it
Never take nothin' don't belong to me
Everything's paid for, nothin's free
If I give my heart, will you promise not to break it? I think I lost it, let me know if you come across it
Let me know if I let it fall along a back road somewhere
Money can't replace it, no memory can erase it
And I know I'm never gonna find another one to compare Money can't replace it, no memory can erase it
And I know I'm never gonna find another one to compare
