

Beautiful Eyes

The Naked Brothers Band

Verse 1

blond hair, shiny blue eyes

Face made of gold

Hypnotized by your beautiful eyes that draw me in

So please take my hand, I be honored to dance with you, maybe have a chance with you

beautiful one, beautiful girl

Hypnotized by your beautiful eyes

Beautiful eyes in disguise

They will arise

I despise any man who would take them away

Beautiful eyes

Beautiful eyes in disguise

They will arise

I despise any man who would take you away

Beautiful eyes

I'd be happy to sit with you and tell you that life's all new

So please take my hand

Beautiful eyes in disguise

Beautiful eyes in disguise it will arise

I despise any man that would

take them away beautiful eyes

Beautiful Eyes in disguise it will arise i despise any man that would take you

away beautiful eyes

Beautiful eyes in disguise it will arise i despise any man

that would take them away beautiful eyes
