She moved her hips and the way she was dancinâ€™ filled me with desire
She looked so fine she got hairspray, lipstick, tight jeans, cotton blazerâ€¦ oh
She had a strong smell of cigarette smoke
So I thought that maybe Iâ€™d offer her a light
Just hoping that she would smile at me yeah yeah yeah

Weâ€™re on the dance floor she â€˜s dancinâ€™ to the beat now
Grooving to the music like there ainâ€™t no more tomorrow
Then she comes closer she said her name was Sue Dio?
And then the time seemed to stop in 1 9 8 5

Three oâ€™clock she had to go to not be yeld at
It was time for her to get back home to mom and dad
They would never let her hang out with a boy like me (like you?)
Still I gave her a ride in my
Dadâ€™s car the full front seat was perfect
So we could sit close real close to each other
Then I moved myâ€¦ my lips forward to kiss her
And then the time seemed to stop in 1 9 8 5

Well she got out of the car without saying goodbye
Sheâ€™s still on my mind, and never, never , never again , have I heard from
Su su su su su su su su dioâ€¦â€¦â€¦â€¦â€¦â€¦so the beat goesâ€¦
