## Dj Roberto Gardelli

Do the rudebox, shake your rudebox  
Do the rudebox, shake your rudebox  
Do the rudebox, shake your rudebox  
Do the rudebox, shake your rudebox Okay then back to basics  
Grab your shell toes and your fat laces  
A little hand clap for some funk faces  
And make your body move in the following places Goes up your back and then down your spine  
And when it hits your head Okay then back to baseheads  
Dance like you just won at the special Olympics  
I got the rudebox of the back of a spaceship  
So sick I just had to take it The R.U.D.E.B.O.X.  
Up yer jacksy, split yer kicks  
Sing a song of Semtex  
Pocket full of Durex, body full of Mandrex Are we gonna have sex  
Will you wear your knee socks, back to the rudebox Got this double fantasy where we just never stop  
I got one design and that's to funk you to the top  
Know what's on my mind there's only one thing you will find  
I got one design and that's to bump you 'til you drop Rudebox, do the rudebox, 'cos you so nasty
