

# Sweet Sixteen

## The Irish Tenors

Since first I saw the love light in your eyes  
I dreamt the world held not but joy for me  
And even though we've drifted far apart  
I never dreamed but what I dreamed of thee I love you as I've never loved before  
Since first I met you on the village green  
Come to me e'er my dreams of love are o'er  
I love you as I loved you when you were sweet  
When you were sweet sixteen Last night I dreamt I held your hand in mine  
And once again you were my happy bride  
I kissed you as I did in Auld Lang Syne  
As to the church we wandered side by side I love you as I've never loved before  
Since first I met you on the village green  
Come to me e'er my dreams of love are o'er  
I love you as I loved you when you were sweet  
When you were sweet sixteen
