

# 4 3 2 1 (The SoundCrate Remix)

## k-os

Shh...4 3 2 1

What we fighting...?

4 3 2 1

I don't know what...

4 3 2 1

What we fighting...?

4 3 2 1

I don't know what for Clap your hands, everybody

Don't act like you never saw me

Just clap your hands, everybody

Everybody, clap your hands Clap your hands, everybody

Don't act like you never saw me

Just clap your hands, everybody

And everybody, clap your hands

OK

You say hello

I say goodbye

Don't leave me high

Or post to dry

Feels so good

When you're by my side

Check like Johnny Depp

Playing the role of a fly guy

Whatever

I thought together

We're tougher than leather

And never

Fall for the pleasure

Under pressure

But it seems

All that glitters is gold

Maybe you sold your soul

For the golden goose

But the truth is

Long as I keep rhyming

Eyes keep shining

Soul stays divine

I remember

'96, we used to dance

I had two pairs of pants  
But you had that glance, yo  
Used to hang out  
In the park and just chill  
Now we sweep swords  
In the dark and act ill  
Doesn't really matter  
I've got to go  
Peace to maestros  
That rock for sho'

We did it

4 3 2 1

What we fighting...?

4 3 2 1

I don't know what...

4 3 2 1

What we fighting...?

4 3 2 1

I don't know what for Guess who's back

That never left at all?

With the brand new pencil

And a crystal ball

Let it fall

Summertime

Break down the wall

You can't give what

You haven't conceived at all

It's the truth, foolproof

But fools need proof

So I slide to the side

And I act uncouth

But it's just an act

'Cause I might react

To those who never

Held a mic that fed back

Listen

It's just a day in the life

Of a man living in the dark

One headlight

Wake up to Dylan

The village makes the villain

I write raps while I watch

Myself on the ceiling

4 3 2 1

It's a countdown

I roll like a laser beam  
Through the downtown  
Its mind over matter  
Maintain the globe  
Peace to Metric
