Blame It on the Weatherman

B*Witched

It's just one more day
No one said
There would be rain again
Won't blame it on myself
I'll blame it on the weatherman
Get away for a while
Here I am out on my own again
Won't blame it on myself
I'll blame it on the weathermanStanding on the shore
Calling out your name
I was here before
I could see your face
Only clouds will see
Tears are in my eyes
Empty like my heart
Why do ya say goodbyeThe rain goes on(on and on again)
The rain goes on(on and on again)
Alone I can hear
Hear our song
Playing for me again
Won't blame it on myself
Just blame it on the weathermanStanding on the shore
Calling out your name
I was here before
I could see your face
Only clouds will see
Tears are in my eyes
Empty like my heart
Why do ya say goodbyeThe rain goes on(on and on again)
The rain goes on(on and on again)
Alone I can hear
Hear our song
Playing for me again
Won't blame it on myself
Just blame it on the weatherman
Maybe it's too late
Maybe it's too late to try again
Maybe I can pray
Maybe I can wait

Maybe I can blame it on the weathermanThe rain goes on(on and on again)
The rain goes on(on and on again)
Won't blame it on myself
Just blame it on the weathermanOh blame it on the weatherman
