Forever and a Day

Stephin Merritt

Forever and a day,
We'll dream our lives away,
Our love is here to stay,
Marry me.
I'll give you every color of the rainbow;
They'll say it can't be done, but what do they know?
You'll never be alone,
You're my sine qua non,
And I'm a baritone,
Marry me.
I'll gaze into your eyes and say I love you.
There'll always be a rainbow right above you.
Forever and a day,
We'll watch our children play,
I know it's a clich,
But I will love you come what may,
Forever and a day.
Forever and a day,
We'll dream our lives away.
I know it's a clich,
But I will love you come what may,
Forever and a day.
