

Living in Danger (D-House Mix - Short Version)

Ace of Base

Live for yourself, it's a wonderful thing
You can do what you want, you can live in a dream
Get up, get in, get the rhythm, get down You're living your life in peace and in harmony
You making your own decisions
That's how it's got to be for you and me
So many people are running around and 'round
Without no sense of logic I see li-es
In the eyes of a stranger
Whoa
You'll be living in danger
I see li-es
In the eyes of a stranger
Whoa
You'll be living in danger
I see li-es
In the eyes of a stranger
Whoa
You'll be living in danger Live for yourself it's a wonderful thing
You can do what you want
You can live in a dream
Get up, get in, get the rhythm, get down Keep moving your feet
Don't go wasting your time
Everybody's moving, yeah they're getting in line
Get up, get in, get the rhythm, get down I see li-es
In the eyes of a stranger
Whoa
You'll be living in danger People are the same today as they used to be
The same expectations
So high no one can reach that high
Not I nor you get satisfied today
We'll never get enough I see li-es
In the eyes of a stranger
Whoa
You'll be living in danger
I see li-es
In the eyes of a stranger
Whoa
You'll be living in danger
I see li-es

In the eyes of a stranger
Whoa
You'll be living in danger
I see li-es
In the eyes of a stranger
Whoa
You'll be living in danger
People are the same today as they used to be
We'll never get enough
I see li-es
In the eyes of a stranger
Whoa
You'll be living in danger
I see li-es
In the eyes of a stranger
Whoa
You'll be living in danger
I see li-es
In the eyes of a stranger
Whoa
You'll be living in danger
I see li-es
In the eyes of a stranger
Look into the eyes of a stranger
Oh so much danger, oh so much danger
Look into the eyes of a stranger
Oh so much danger, oh so much danger
Look into the eyes of a stranger,
In the eyes of a stranger,
You'll be living, in danger
