

Get It On

Turbonegro

Gimme friction, baby and I like it
Gimme friction, baby and I like it, love it
Gimme death punk, baby and I like it
Gimme death punk, baby and I like it, love it
Get it on, right on Gimme shiny beast and I like it
Gimme shiny beast and I like it, love it
Gimme teen machine and I like it, yes, I do
So young, firm and clean and I like it, love it
Get it on, right on What do you want?
I wanna get it on
Right on
