

You've Got A Friend

[Lucky Dube](#)

I still believe in a little bit of magic
Even though the world has gone crazy
So good to know we still have a friend
You came to me last night and whispered in my ear
Told me not to worry about anything, yeah
You said you are still my friend
And the feeling is mutual right here
Thabo Thabo, my friend Thabo
Thabo Thabo, your friend Thabo
Thabo Thabo, your friend Thabo
Thabo Thabo, our friend Thabo
I believe You've got a friend in me
You've got a friend
Don't have to worry no more
Go, go Thabo
Go, go Thabo
Your fears will be my fears
Your dreams will be my dreams too
Even your joys will be my joys too
'Cause a friend in need is a friend indeed
I love Thabo
You love Thabo
Thabo we love you
Go, go, go Thabo
You've got a friend
Dont have to worry no more
