

Valarie

The Mothers of Invention

La la la la la la

La la la la la la

La la la la la la

La la la la la la Although you don't want me no more

Oh, but it's alright, alright with me

'Cause you know, you're gonna want me some day

Yes, you will want me, and I'll run away Oh, Valarie

(Valarie)

Valarie

(Valarie)

Valarie

Don't you want me?

Don't you need me? Valarie

Valarie

Valarie

Valarie Although you don't want me no more

Oh, but it's alright, it's alright with me

'Cause you know, you're gonna want me some day

Oh, you will want me, and I'll run away Oh, Valarie
