

# Holy Diver

Joy Zipper

Holy Diver  
You've been down too long in the midnight sea  
Oh what's becoming of me  
Ride the tiger  
You can see his stripes but you know he's clean  
Oh don't you see what I mean  
Gotta get away  
Holy Diver... yeah  
Shiny diamonds  
Like the eyes of a cat in the black and blue  
Something is coming for you  
Look out!  
Race for the morning  
You can hide in the sun 'till you see the light  
Oh we will pray it's all right  
Gotta get away, get away  
Between the velvet lies  
There's a truth that's hard as steel... yeah  
The vision never dies  
Life's a never ending wheel... said

Holy Diver  
You're the star of the masquerade  
No need to look so afraid, jump, jump!  
Jump on the tiger  
You can feel his heart but you know he's mean  
Some light can never be seen... yeah  
Holy Diver  
You've been down too long in the midnight sea  
Oh what's becoming of me, no, no!  
Ride the tiger  
You can see his stripes but you know he's clean  
Oh don't you see what I mean  
Gotta get away, get away  
Gotta get away, get away... yeah  
Holy Diver, so survivor, you know he's clean  
Holy Diver, Holy Diver  
Never come to know, coming after you, Holy Diver  
Holy Diver... yeah

Alright, get away, get away, get away  
Holy Diver, Holy Diver, Holy Diver...
