

# I Do

911

Ver 1:

My whole world changed from the moment I met you  
And it would never be the same  
Felt like I knew that I'd always love you  
From the moment I heard your name  
Bridge 1:  
Everything was perfect, I knew this love is worth it  
Our own miracle in the makin'  
'Til the world stops turning

I'll still be here waiting and waiting to make that vow that I'll...Chorus:

I'll be by your side, 'til the day I die  
I'll be waiting 'til hear you say I Do  
Something old, something new  
Something borrowed, something blue  
I'll be waiting 'til I hear you say I Do

Ver 2:

Smiles by the thousands, ya tears have all dried out  
'Cos I won't see you cry again

Throw pennies in the fountain, and look at what comes out  
Sometimes wishes do come true  
Bridge 1:

Everything is perfect, I knew this love is worth it  
Our own miracle in the makin'  
'Til the world stops turning

I'll still be here waiting and waiting to make that vow that I'll...Chorus:

I'll be by your side, 'til the day I die  
I'll be waiting 'til hear you say I Do  
Something old, something new  
Something borrowed, something blue  
I'll be waiting 'til I hear you say I Do

Middle 8:

Always better than worse, protect you from the hurt  
I'll be waiting 'til hear you say I Do  
I Do love you, yes I Do love you  
I'll be waiting 'til hear you say I Do

Coz I love you, love you ...(Chorus)  
We're shining like a diamond, just look at us now,  
I wanna hear you say I Do
